WHO WE ARE

Almoallam FM is a Saudi-based professional facilities management company, operating as a standalone business within the Almoallam Group. Rooted in the Kingdom's early industrial development, we have grown into a trusted partner for organizations managing critical assets and complex environments across Saudi Arabia. Our 4,000+ workforce delivers integrated hard and soft FM solutions to major public and private sector organizations. Driven by excellence, experienced teams, robust systems, and strict quality compliance, we provide high-performance solutions across mission-critical environments.

PURPOSE

To contribute meaningfully to the Kingdom's development by creating safe, dependable, and sustainable environments where industries operate, communities thrive, and people build long-term livelihoods.

MISSION

To deliver integrated facility management services that are dependable and sustainable - built on integrity, long term partnerships, with a deep understanding of industrial and community environments across the Kingdom.

VISION

To be the Kingdom's most trusted professional facilities management partner - renowned for long-term client relationships, exceptional service standards, and a workplace where our people are proud to belong.

رؤية VISION 2030
المملكة العربية السعودية
KINGDOM OF SAUDI ARABIA

NATIONALIZATION & LOCAL CONTENT

We prioritize Saudi talent at all levels through training and career development, while exceeding local content requirements by sourcing materials and services from Saudi industries, together driving the Kingdom's self-sufficiency under Vision 2030.

CORPORATE SOCIAL RESPONSIBILITY

We are committed to giving back to the communities where we operate with initiatives such as building and funding a dedicated Autism Rehabilitation Centre in Dammam, for which we received recognition from HRH Prince Saud bin Nayef bin Abdulaziz Al Saud.
